FRONT ROW: JOHN HUDSON, (R. G.); JACK CASTO, (R. HB.); DUANE OTTO, (HB.); CHARLIE COX, (QB.); MARION WILLIAMS (R. T.); EDWARD ROTH, (C.); BILL LADD, (R. HB.); EARL GRIFFIN, (L. G.); BILL KLUTTS, (L. The Copan football team was revised this past year after a war-time disbandment of four years. Most of the players had never seen action on the gridiron before. Those who had seen action before were the three veterans John McHargue, Bill Klutts, and Bud Roth, also Jim Loper had played previously with Borger, Texas.

Bearing in mind that the boys were exceptionally green the team did very well, having won four games, lost four, and tied one for a percentage of five hundred.

Bud Roth acted as captain for the squad, while Jim Loper called the plays.

Copan is looking forward to a very strong team the coming year, due to the fact that they lost only four lettermen this year.

We think that Coach Orville Dobbs did a great job in coaching the team. It was his first year at coaching football, but he turned out a team that the whole community was proud of.

Here are the scores:

Captain Edward Roth

Copan	6	Strang.....	8
"	0	Tulsa Holy Family.....	27
"	0	Shidler (Copan won on first downs).....	0

Girls' Basketball

BACK ROW: JEAN MCGUIRE (FORWARD), GLORIA OTTO (FORWARD), BILLIE SEALS (GUARD), DICKIE DOBBS (FORWARD), SUPT. HUDSON (COACH). FRONT ROW: EDNA JOHNSON (FORWARD), BONNIE JONES (GUARD), JOY TODD (GUARD), KATHLEEN METCALF (GUARD), ILAH CURTIS (GUARD), JEANETTA JETER (GUARD).

The Copan Girl's Basketball Team had a mediocre season, winning six and losing seven games. There were ten regular players, all lettered, and will receive a basketball jacket. Taking into consideration that all girls but three were new and inexperienced, we feel that we have had a fairly good season.

Kathleen Metcalf and Joy Todd, both Seniors, acted as co-captains, taking turn about being captain of the games.

The prospects of the coming year for the Copan basketball girl's looks very favorable, due to the fact that only two first-team lettermen will be graduated. Mr. Hudson, Supt., was coach.

The Copan Basketball team had a fair season, winning 10 and losing 13. Three games were lost by 1 point. The team will lose three lettermen this year, due to graduation. They are John McHargue, forward, Bud Roth, guard, and Vernon Miller, forward. One thing for the boys. they did beat the Alumni.

The girls were an inspiration to the football team, and were sometimes referred to as the "Musketears". With the backing and support given by the Pep Squad, we feel that we may partly claim the good games played by the boys was because they could hear our shrieking voices.

At the football games a pop stand was set up for the Pep Club to raise money. With these proceeds the football boys were royally entertained one evening at the Copan High School. The Pep Club uniforms consisted of, black skirts, black sweaters, and gold collars.

The purpose of the club has been to better the personality and speaking ability of each individual pupil.

AWHILE

Mr. West: "How old are you, little girl?" asked the bus driver.

Lillie Sue: "If you don't mind," the passenger replied, "I'll pay full fare and keep the statistics to my self."

Do you remember the good old days when you could scare the landlord into painting the house and fixing the roof by threatening to move?

Mrs. Robinson: Robert, give me a sentence using the word "unaware."

Robert Bair: Unaware is something we wear next to our skin.

Wilbur Keck: Its wonderful but I had a deaf uncle who was arrested, and the judge gave him his hearing the next morning.

Jack Casto: That's nothing. I once had a blind aunt who walked into a lumber yard and sawdust.

Mr. McMurtrey: Johnnie, what does "unselfish mean?"

Johnnie Morrison Unselfishness means going without something you need.

Mrs. Wright: Laurence, what is the most outstanding constribution that chemistry has given to the world?

Laurence Cypert: "Blondea."

Mrs. Robinson: Jimmie will you please read me your essay on "The Funniest Thing I Ever Saw."?

Jimmie Frenchman? I didn't write any teacher, cause the funniest thing I ever saw was to funny to put into words.

Jackie: Did you hear about the big hotel fire?

Johnnie: No? What?

Jackie: "The rumors are flying."

Mr. McMurtrey: Class did you know that you always put your left shoe on last?

Class. No.

Mr. McMurtrey Yes, you put on one shoe and the other one is left.

Mrs. Robinson: Glen, if you have \$10 in one pocket and \$15 in the other pockey, what have you?

Glen Coddin: "I have on the wrong pants."

In a San Francisco nightclub, Bobby Bellayer unwrapped a cupcake lit a candle on it, and started singing "Happy Birthday to me." Patrons showered him with free drinks for the rest of the evening.

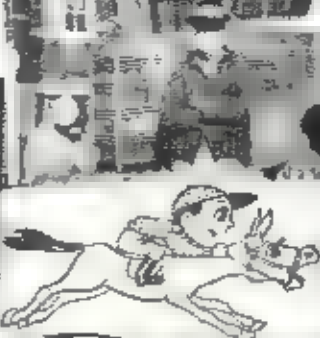

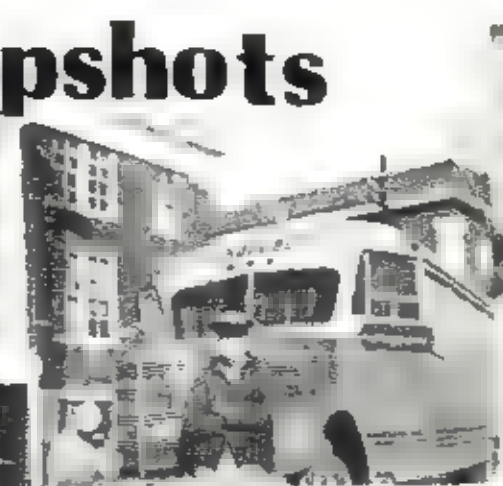

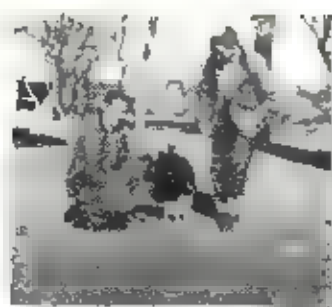

Voice over Phone: My son has a severe cold and won't be able to attend school today.

Mr. Hudson: Who is this speaking?

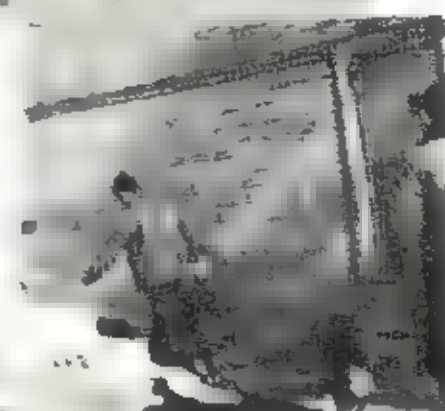

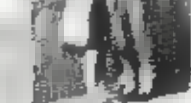

Norman Fitch: This is my mother speaking.
